20th November 2025

Dear all at Cell 2025 by Oxford Global,

Thank you. Thank you. Thank you.

Every day, around 750 seriously ill children and young people are seen at Great Ormond Street Hospital (GOSH) from all over the UK, and [when you chose to make a donation to Great Ormond Street Hospital Children's Charity \(GOSH Charity\) recently, you chose to help create a brighter future for the children at GOSH.](#)

Your £305.00 is already helping to transform young lives. With your support, GOSH Charity helps to fund advanced medical equipment for treating the toughest conditions as well as support services that help make life in hospital as normal as possible for young patients and their families.

And you are helping the children of the future, as your gift could help to fund pioneering research to find treatments and cures for rare and complex childhood illnesses.

Whether it's the children at the hospital right now, or the patients of tomorrow, you are making a difference. GOSH has always depended on generous supporters like you to enable seriously ill children to fulfil their potential. The commitment of amazing people like you means everything to the children and families at GOSH, who are facing some of the hardest challenges of their lives.

On behalf of the children, families and staff at GOSH, thank you once again.

Yours sincerely,

Liz Tait
Director of Fundraising
