

Service and Support Plans

Instrumentation Service Plans

PROTEINSIMPLE, A BIO-TECHNE BRAND, IS HERE TO SUPPORT YOUR RESEARCH AT EVERY STEP OF THE WAY.

We have a variety of plans that will fit your requirements. All plans include an annual preventative maintenance which assists in keeping your instrument and your research running smoothly. In the event something does go wrong, you can have the peace of mind that you will have the best technicians ready to get your research back up and running quickly.

| | Platinum | Gold | Silver |
|--|------------------|------------------|------------------|
| Phone and Email Technical Support | ✓ | ✓ | ✓ |
| Complete System Coverage | ✓ | | |
| Unlimited On-Site Repair Visits (Travel & Labour) | ✓ | ✓ | |
| Parts Required for Repair | ✓ | | |
| Maintenance Location | ON SITE | | |
| Replacement Parts | ✓ ⁽¹⁾ | N ⁽²⁾ | N ⁽²⁾ |
| Software Updates ⁽³⁾ | ✓ | ✓ | ✓ |
| Annual On-Site Preventative Maintenance | ✓ | ✓ | ✓ |
| <small>(1) Separate computers are covered when parts are included in the service plan level. Separate computers are sometimes covered by manufacturer warranties that are longer than the standard Protein Simple warranty period. Contact Technical Support for coverage details. (2) 10% discount on repair parts. (3) Offered at time of on-site visits by engineer. Remote updates available at all times. FULL TERMS AVAILABLE UPON REQUEST</small> | | | |

Platinum

All-inclusive package where we minimize instrument downtime by offering our highest priority response time and a ready supply of parts.

Gold

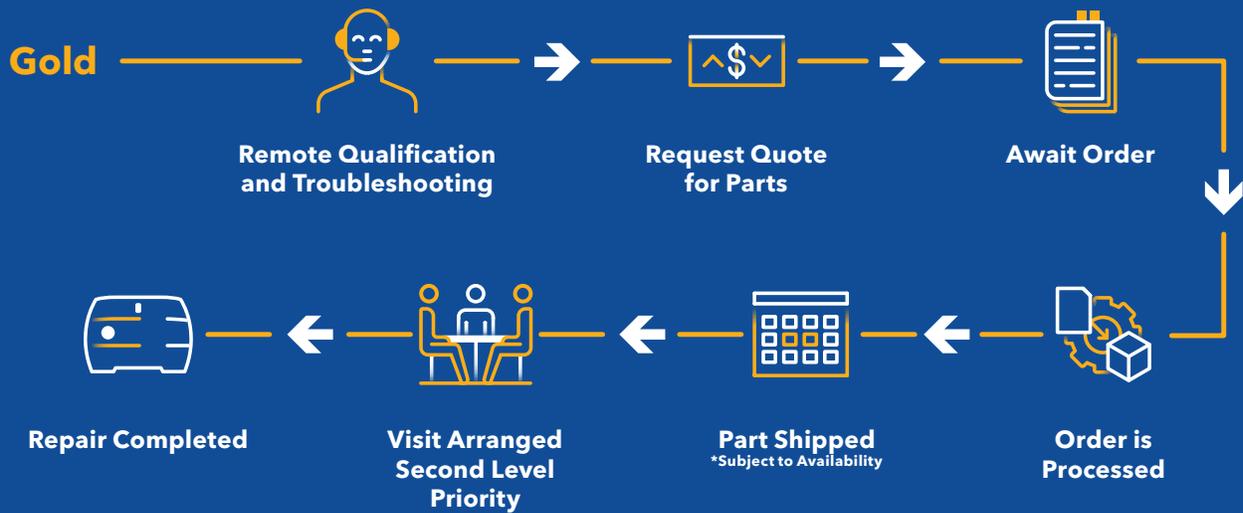

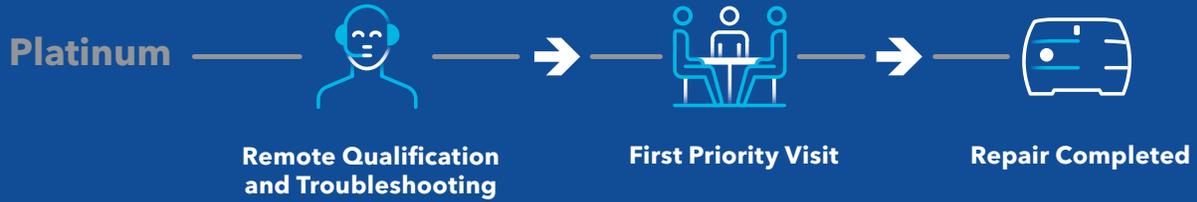

Enhanced coverage including repair time, annual maintenance, fewer workflow disruptions, and optimized laboratory productivity.

Silver

To protect your lab with annual on-site maintenance, technical support and software updates.

Basel, Switzerland

Training Support

At Bio-Techne, we have a range of training programmes to suit your needs. Training is conducted either face to face or remotely. Our dedicated team of Field Applications Scientists are here to ensure you get the most from your systems.

Do you have new starters? Are you looking to learn more?

Take a look at our Bio-Techne online Training Academy. Here you will find a wealth of information for all user experience levels. For new users, we have dedicated new user training programme, with certification on completion to assist your team's professional development. There are online workshops with tricks, tips and best practices, a live "Ask the Experts Channel" and a dedicated owner's centre. This centre allows you to access essential instrument documentation.

Registration is open to all system users; it is easy to sign up and free of charge.

HEAR FROM OUR CUSTOMERS

I do appreciate the premium quality service and support! Doing business with Protein Simple (a Bio-Techne brand) means a two-way collaboration based on trust and expertise!"

- Mindaugas Puplevicius-Biotecha, UAB-Lithuania

HEAR FROM OUR TEAM

Leading the European Service Engineer Team is a real privilege. I'm proud to say that this is a Team that delivers great support to our customers every day, in all kind of organizations. We work hard to deliver our service on time, on budget, and with the highest possible level of quality"

- Kai Ruschenbusch, EMEA Service Manager

The European Service Team is driven to ensure our customers are getting the maximum benefit out of their instruments. We build partnerships with customers like you to help you achieve your research goals.
